

We can't help you cover Plumber's Crack...

But Merco brand Threadmaster® threadseal *can* help keep your Plumber's threads from showing.

At Merco Company we stock our Threadmaster® threadseal tape in over 40 sizes, and six different grades. Domestic, in regular, high and full density. Imports from Italy and the far east. White, yellow, green, gray and even pink. Commercial, residential, industrial, critical application. In fact, whenever your threads show, Threadmaster® brand threadseal tape and your local supply house has got you covered.

Threadmaster® threadseal tape: ask for it by name at your local supply house .
