

*“Who orders the gaffers tape around here?
If we trip over that cable one more time...”*

*Merco Company
Stick With Us®
Quality tapes since 1972*

Merco. We're one of the best kept secrets in the Theater, Entertainment and Conventions Industries. Obviously. Because had the purchasing department known to specify Merco Gaffers Tape, they wouldn't have two actors looking to make sushi of them.

We offer Gaffer's tapes in standard and fluorescent colors. Our own house brand, as well as quality products from Permacel, Polyken, Shurtape and Scapa. Spike tapes in more colors than you can count. Plus, electricals, safety stripes, carpet, glo-in-the-dark tapes and more for the stage and public access areas. Masking, a full range of double-coated, shipping tapes and more for your in-house creative departments.

In fact, if it sticks, we've got it.

We've been converting, manufacturing and supplying quality product for two generations now, since 1972. Quality guaranteed. Performance guaranteed. Price guaranteed.

Merco, because you never want to argue with an actor holding a sword...
